Members may instead choose to have the \$1 applied as a maintenance fee. Rates and fees are subject to change.

^{**}Share Term Certificates are paid interest. All other accounts are paid dividends.

^{***}The APY equals the 12-month STC rate on August 1 of each program year, regardless of when the account is opened, and remains in effect until the next adjustment period. The rate adjusts each program year on August 1 for June-July accounts and September 1 for July-August accounts.

^{††}The minimum balance to earn interest on Share Term Certificates and dividends on Money Market Share accounts is \$250.

Share Term Certificates are Fixed Rate accounts. Summer Cash accounts are Variable Rate accounts subject to change annually on either August 1 for June-July accounts or September 1 for July-August accounts. All other accounts are Variable Rate accounts with rates subject to change daily after the account is opened.

Fees, other conditions or early withdrawal penalties may reduce the earnings on an account. Ask any employee for further information about the fees and terms applicable to these accounts. See SECU's Account Rules and Regulations for more information.
